Project Information	Drawing List

Project Name:

Enclave IT park

Site Address:

Plot No. 47, Sector 8, Infinity Tech Park, Andheri East, Marol Industrial Estate, Mumbai, Maharashtra 400059

Project Description:

The 9-story Enclave IT Park in Andheri East features a sleek glass and aluminum facade that enhances natural lighting while offering energy efficiency. The building uses a reinforced concrete frame with a deep pile foundation for stability and seismic safety. The facade's curtain wall system is both aesthetically pleasing and functional, providing thermal insulation and minimizing noise.The 9-story structure is equipped with modern MEP systems, including efficient HVAC, fire safety, and water management systems, ensuring smooth operations and sustainability. It also includes multi-level parking and well-planned common areas for employee convenience.
